

AL SIKU
SKALA 1

A detailed side-profile view of a green and black Fendt 520 tractor. The tractor features large, treaded black tires with prominent red hubs. The body is primarily green with black accents on the fenders and rear. The text 'FENDT 520' is visible on the side. The tractor is shown without any attachments, highlighting its base design.

A blue New Holland tractor with large black tires and a red front loader attachment. The tractor is shown from a side profile, facing right. The New Holland logo is visible on the side of the engine compartment. The front loader is red and is in a lowered position. The tractor has a blue cab with black trim and two orange lights on top. The background is white.
